**Ultimate Pipe Flashing® for
Metal Roofing Panels**

Ultimate Pipe Flashing® for Metal Panels - Primed Version

Ultimate Pipe Flashing® for Metal Panels - Kynar® Dark Bronze Version

The new Ultimate Pipe Flashing® for metal roofing will feature various colors to choose from as well as a primed version for any custom color. The Ultimate Pipe Flashing® for metal roofs will feature all of the same premium quality elements that our shingle version offers, such as a 100% Pure Silicone Boot, 24g Galvanized Kynar® plate, PVC locking collar and the ability to accommodate pitch up to 18/12. As always, it will be the only flashing that will permanently stop water intrusion around the pipe flashing on either shingle roofs and now metal roofs, too!

All of our parts are 100% manufactured in the USA and each Lifetime Tool® roofing component is hand inspected for quality!

City Top Roofing Website

Chris Faulkner with [City Top Roofing](#) is a great example of word of mouth advertising for Lifetime Tool®. Chris learned about our Ultimate Pipe Flashing® through Martin Pettigrew of [Monarch Roofing](#).

Chris is a big supporter of Lifetime Tool® Products and sees the value in installing a premium quality product with a Lifetime warranty. City Top Roofing implemented the Ultimate Pipe Flashing® into their sales approach in the 3rd quarter of 2021 and have already seen growth in their overall profit.

(Want to be featured? Send us your picture with one of our parts and we will not only feature you in an upcoming newsletter, but we will send you a FREE Lifetime Tool® T-Shirt!)
