INDUSTRY SPOTLIGHT

This month's Industry Spotlight focuses on Bricor Roofing, a family owned Calgary company, that specializes in asphalt shingle sloped roof installation for homes and businesses.

"We have been roofing in Calgary, Alberta Canada since 1983, and the biggest issue with leaking has always been at the plumbing and exhaust vents, so happy to find something that will last and excited to offer our customers such a high-quality product. We seem to have a bad hail storm every year or two, and now we have something that can handle the storms."

- Corey McLellan, Bricor Roofing Ltd.

Thank you to Bricor Roofing, based in Calgary, Alberta, for sharing their photo and for their support of Lifetime Tool® roofing components. Learn more about [Bricor Roofing](#).
