### LIFETIME ROOF SYSTEM COMPONENTS

Did you know that all Lifetime Tool<sup>®</sup> components are built to truly last the life of the roof?

The homeowner gets peace of mind knowing their contractor has installed quality components that will provide life of the roof protection.

For contractors, Lifetime Tool<sup>®</sup> components provide many benefits:

1. Your reputation is strengthened because you are an installer of higher quality products than your competitors.
2. Improved relationship with customers, since the homeowner is getting a better value for their dollar.
3. Saves time and resources because callbacks are eliminated.
4. Sets you apart from other roofers since you are using top quality

products.

5. Helps you close deals and make more money.
