## **ROOFER SPOTLIGHT**

We want to thank Anthony Fuchsel of [Montana Roofing Solutions](#) in Kalispell, MT for sharing this photo showing the recent install of our **Ultimate Pipe Flashing®**. We always appreciate your feedback, and thank you again for your support!

*"The product just speaks for itself. We keep samples in our vehicles and use them in our presentations with homeowners. I have never had a homeowner decline because of the boots and when you are talking about a \$20,000 roof a few \$80 pipe boots*

*doesn't move the needle. At the end of the day, we feel installing these is just the right thing to do and it's that simple for us."*

Nothing shows recognition and support, more than a roof install that includes our **Lifetime Tool®** roofing components. Learn more about Montana Roofing Solutions.
