INSTALLS INTO PIPE

EASYSleeve®
US Patent 8,984,822

INSTALLS OVER PIPE

EASYFit™

Install a New Pipe in 10 Minutes!*

- Acrylic laminated PVC for color retention and strength.
- Compression fit no glue cap makes for exceptional strength.
- 3 seal gaskets for fit and function.

*See [website](#) for details.

EASYSleeve®

Cut! Drop! Go!

- Formulated from black ASA polymer cap stock (for weatherability) over PVC for strength and impact.
- Addresses pipe size and condition issues.
- It's a quick and simple installation that ensures a weathertight seal.

INDUSTRY SPOTLIGHT

This month's Industry Spotlight is [Reisch Roofing and Construction LLC](#) based in North Arlington, NJ.

Reisch Roofing and Construction LLC was founded by New Jersey natives Kevin Reisch and Daniela Reisch on the principles of fast, friendly service, and quality workmanship. They noticed a void for honest contractors who will work hard, say what they do, and do what they say. Therefore, they set out to fill that void by opening Reisch Roofing and Construction LLC.

"My name is Kevin Reisch, co-owner of Reisch Roofing and Construction. We love the Ultimate Pipe Flashing and all the products from Lifetime Tool. It just makes sense to use products made to last the life of the roof rather than competitors' products that last only a couple of years. Reisch Roofing and Construction highly recommends the Ultimate Pipe Flashing and Ultimate Bath/Dryer Vents for anyone's next roofing job."

Thank you to Reisch Roofing and Construction for their support of Lifetime Tool® & Building Products and for using our lifetime roof system components.

Kevin Reisch, co-owner of Reisch Roofing and Construction, is ready to install The Ultimate Bath/Dryer Vent.

Want to be featured? Send us your photo with one of our components, and we may share your photo on our social media accounts or feature you in an upcoming newsletter. If we use your photo, we will mention your company, and you may also receive a **FREE** Lifetime Tool® T-Shirt or Hat!
