AUGUST 2024 NEWSLETTER

Welcome Danny Shaw, Our New Territory Sales Manager!

We are excited to introduce Danny Shaw as our newest Territory Sales Manager, covering the Baltimore/Washington market! Danny comes to us with a wealth of experience and a strong commitment to providing top-notch customer service. He will be based at the Lifetime Tool® & Building Products corporate office in Winchester, VA, but will be actively engaging with clients across the Maryland and Washington, D.C. area.

A proud Coast Guard veteran, Danny began his career in the automotive industry, where he developed a passion for ensuring his clients receive the best possible experience. He holds a Bachelor's degree in Psychology from Chaminade University and a Master of Arts in Organizational Management from the University of Phoenix.

In his free time, Danny enjoys spending time on the golf course, though he humorously admits that he spends more time searching for lost balls than sinking putts. He's also an enthusiastic cook, delighting his family with his culinary skills. Danny is married to Kay Shaw and looks forward to connecting with clients throughout the Maryland and Washington, D.C. area. If you're in the region, don't hesitate to reach out to Danny at dshaw@lifetimetool.com or (240) 956-9873. Join us in welcoming Danny to the team!

INDUSTRY SPOTLIGHT:

Joyland Roofing in Elizabethtown, PA

Since 1991, **Joyland Roofing** has been proudly serving the Lower Susquehanna Valley and Delaware Valley, specializing in the replacement, restoration, and

repair of commercial building roofs across Pennsylvania, Maryland, and New Jersey. Our experienced team is extensively trained to work with a wide range of commercial roofing materials on both steep slope and low slope roofs, ensuring quality and reliability in every project.

100% Made in USA

Product Details:
- Removable cap for service.
- Rubber damper cushions for a quieter operation.
- Large plate for a leak-proof installation.
- Removable snap-in stainless steel screen (for bath venting ONLY)
- Even the black oxide screws are stainless steel, for a lifetime of easy cap removal.
- Built to truly last the life of the roof.
- For use with 3" and 4" pipe.
- The galvanized snap-in drop pipe and 3" adapter are included.
- Made in the USA

The BDV comes with a removable cap for easy cleaning. The 24 ga. galvanized metal Kynar® clad cap is locked onto a high-temperature ASA polymer sub-cap for exceptional strength and impact. The radiused interior is designed for optimum

airflow. An angled ASA interior structure allows for condensation drainage and protection from wind-driven rain.

The substrate's built-in wind walls, weep holes, and rubber damper cushions provide for quieter operation. Passivated stainless steel axle, 316L marine grade stainless steel fastener clips, along with black oxide stainless screws for easy removal and a lifetime of service. Removable snap-in stainless steel screen (for bath venting only). 4" galvanized snap-in drop connector and 3" adapter included. A large Kynar® coated flashing plate allows for a watertight installation. Learn more at **The Ulitmate Bath/Dryer Vent**

FOR A LIFE OF THE ROOF WATERTIGHT INSTALLATION, FINISH YOUR INSTALL WITH THE **ULTIMATE PIPE FLASHING**®.

THE BEST SOLUTION IS:

| REPLACE 3"/4" CAST IRON PIPE IN LESS THAN 10 MINUTES!*	REPLACE CAST IRON OR COPPER PIPE.
	EASYSleeve®

- Formulated from black ASA polymer cap stock (for weatherability) over PVC for strength and impact.
- Addresses pipe size and condition issues.
- It's a quick and simple installation that ensures a weathertight seal.

EASYFit™
- Acrylic laminated PVC for color retention and strength.
- Compression fit no glue cap makes for exceptional strength.
- 3 seal gaskets for fit and function.

*See website for details.
