- ✓ Constructed from Kynar® coated 24-gauge galvanized steel
- ✓ Removable screen to help prevent pests

From the makers of... **THE ULTIMATE PIPE FLASHING®**

Made from ultra-pure silicone. Just like sand, it's made from silica and is 100% stable in the sun.

- ✓ PVC compression collar for an extremely weathertight seal that accommodates for thermal movement
- ✓ Designed for use on flat to very steep roofs (18/12+)
- ✓ Large Kynar® galv. flashing plate for watertight install

**GUARANTEED
WATERTIGHT**

FOR THE LIFE OF THE ROOF
